

Full stack web developer with 1 year of experience and a recent graduate of the coding bootcamp at University of Denver. Effective at problem solving, critical thinking, organization, and keeping calm under pressure. Can work independently or as part of a team and strive to bring as much as possible to any collaboration.

## EXPERIENCE

|   |   |                                   |
